

As the approval of the Post-2020 Global Biodiversity Framework(GBF) is scheduled at the CBD COP 15th, a plan to mainstream biodiversity by region is in progress.

It is necessary to diagnose the current situation for mainstreaming biodiversity by 2030 through a workshop on biodiversity experts in Northeast Asia and discuss future strategies.

2030 Northeast Asia Biodiversity Mainstreaming Workshop

Discussion on the Mainstreaming of Biodiversity in Northeast Asia

📅 '20.10.13.(Tuesday) - 14.(Wednesday) ☁️📺 Online Conference

Day1_10.13.(Tue)

Time	Contents	Speaker
13:30~14:00	Day 1 Registration	
14:00~14:05	Opening Remark	NIE President
14:05~14:10	Welcome Remark	IGES CEO
14:10~14:30	Biodiversity as a source of innovation and design	Andre Mader (IGES)
14:30~14:50	Introduction of DIWPA (DIVERSITAS in the Western Pacific and Asia)	Atsushi Ishida (CER)
14:50~15:10	Ecosystem services approach for policy support and decision making	Wooyeong Joo (NIE)
15:10~15:20	Coffee break	
15:20~15:40	Sharing ecosystem services	Osamu Saito (IGES)
15:40~16:00	Microbial diversity on flowers and its potential effects on pollination	Shoko Sakai (CER)
16:00~16:20	Climate change risks for biodiversity and ecosystem in South Korea	Seungbum Hong (NIE)
16:20~16:30	Day1 Summary and Day 2 Notification	NIE

Day2_10.14.(Wed)

Time	Contents	Speaker
13:30~14:00	Day 2 Registration	
14:00~14:10	Day 2 Introduction	NIE
14:10~14:30	Biodiversity and ecosystem services scenario analysis in Asia	Rajarshi Dasgupta(IGES)
14:30~14:50	Finding the way of biomimicry for biodiversity	Seungwoo Sim(NIE)
14:50~15:10	A platform connecting endangered species to public awareness	Jeongeun Lim(NIE)
15:10~15:20	Coffee break	
15:20~15:40	Biodiversity of lake plankton with special reference to climate change	Shin-ichi Nakano(CER)
15:40~16:00	The progress status of national ecosystem survey and citizen science	Taewoo Yi(NIE)
16:00~16:20	National wetland monitoring for biodiversity conservation	Kwangjin Cho(NIE) / Sung-Ryong Kang(NIE)
16:20~16:25	Group Photo	
16:25~16:30	Closing Remark	CER Director
